**Application for Design Review Board, Planning and Zoning Commission,  
and Board of Adjustment**

We understand you are interested in serving on one of the Town boards or commissions. With volunteering, are you free enough and willing to read published materials and to go to occasional conferences to enhance your ability to do a good job on the commission? And do you understand that your duty as a commissioner is to give a FAIR and IMPARTIAL hearing to each proposal based on its satisfying the requirements of the Jerome Zoning Ordinance.

We appreciate your volunteering. Such service is vital to the community and we hope this will reward you with a better understanding of your local government and a sense that through your efforts, Jerome will be a better place to live. We are delighted to hear of your willingness to help.
